Customer Checklist

Congratulations on the start of your project! We're super excited to be a part of it! Here is a list to help get you ready for your upcoming appointments with A-Tech Granite & Marble.

- All appliances, sinks, fixtures, etc. used in conjunction with or affected in any way by the final countertop pieces will be ON-SITE prior to the template and installation date.
 - Sink(s)
 - All Appliances
 - Faucet(s)/Fixtures
- Job site is clean and free of debris or obstacles prior to template and installation date to avoid delays.
- Cabinets must be level prior to template. Variations larger than ¼" will result in having to reschedule template/install dates as well as a trip charge.
- Disconnect your range, cooktop and any plumbing fixtures, such as sinks and faucets prior to installation date. Please also make sure any other appliances are out of the way where countertops will be templated or installed.
- Make sure any subcontractors or contractors ARE NOT scheduled during the same time as template or install times.
- Make sure you or your contractor will be present for the template and install date to sign off on appropriate paperwork. We will not proceed with the appointment if there is no one present to sign off.
- Any bracing/brackets needed for countertop overhang need to be installed on cabinets prior to install date. (If applicable - ask contractor)
- No wall or cabinet modifications can happen between template and install date.
- All backsplash and existing countertops need to be removed prior to template and install date, unless authorized by A-Tech Granite & Marble.

Thank you for choosing us to be a part of your project! Please call us if you have any questions.
